FRASERS CENTREPOINT TRUST PRIVATE PLACEMENT

ISSUE OF 48.0 MILLION NEW UNITS IN FRASERS CENTREPOINT TRUST PURSUANT TO THE PRIVATE PLACEMENT

1. Introduction

Further to its announcements dated 15 September 2011 in relation to the private placement of 48.0 million new units ("**New Units**") in FCT at an issue price of S\$1.39 per New Unit (the "**Private Placement**"), the Board of Directors of Frasers Centrepoint Asset Management Ltd., in its capacity as manager of FCT (the "**Manager**"), wishes to announce that the Manager has today issued the New Units. With the issue of 48.0 million New Units, the total number of FCT units in issue is 819,816,584 as at the date of this announcement. The New Units will commence trading on the Main Board of Singapore Exchange Securities Trading Limited (the "**SGX-ST**") at 2.00 p.m. today.

2. Status of the New Units

The New Units issued pursuant to the Private Placement will, upon issue, rank *pari passu* in all respects with the FCT units in issue immediately prior to the issue of the New Units ("**Existing Units**"), other than in respect of the Advanced Distribution (as defined herein).

FCT's policy is to distribute its distributable income on a quarterly basis to its unitholders ("**Unitholders**"). In connection with the Private Placement, the Manager however has declared, in respect of FCT, a distribution of the distributable income for the period from 1 July 2011 to 22 September 2011, being the day immediately prior to the date on which the New Units are issued pursuant to the Private Placement (the "**Advanced Distribution**").

The next distribution thereafter will comprise FCT's distributable income for the period from 23 September 2011, being the day the New Units are issued pursuant to the Private Placement, to 31 December 2011. Quarterly distributions will resume thereafter.

The Advanced Distribution is intended to ensure that the distributable income accrued by FCT up to the day immediately preceding the date of issue of the New Units (which at this point, will be entirely attributable to the Existing Units) is only distributed in respect of the Existing Units, as a means to ensure fairness to holders of the Existing Units.
