(Constituted in the Republic of Singapore pursuant to a trust deed dated 5 June 2006 (as amended, restated and supplemented))

### **RESULTS OF THE PRIVATE PLACEMENT AND PRICING OF NEW UNITS UNDER THE PRIVATE PLACEMENT**

*Capitalised terms used herein, but not otherwise defined, shall have the meanings ascribed to them in the announcement of Frasers Centrepoint Trust dated 25 January 2024 titled "Launch of Equity Fund Raising By Way of a Private Placement to Raise Gross Proceeds of No Less Than Approximately S\$200.0 million" (the "**Launch Announcement**").*

#### **1. INTRODUCTION**

Following the Launch Announcement, Frasers Centrepoint Asset Management Ltd., in its capacity as manager of Frasers Centrepoint Trust ("**FCT**", and as the manager of FCT, the "**Manager**") wishes to announce that DBS Bank Ltd., Merrill Lynch (Singapore) Pte. Ltd., Oversea-Chinese Banking Corporation Limited, United Overseas Bank Limited and Maybank Securities Pte. Ltd., as the underwriters for the Private Placement (the "**Underwriters**"), have in consultation with the Manager closed the books of orders for the Private Placement on 25 January 2024.

The Private Placement was approximately 2.5 times covered, with strong participation from new and existing institutional, accredited and other investors.

#### **2. ISSUE PRICE**

A total of 91,744,000 New Units will be issued under the Private Placement and the issue price per New Unit under the Private Placement has been fixed at S\$2.1800 per New Unit (the "**Issue Price**"), as agreed between the Manager and the Underwriters, following a book-building process.

The Issue Price of S\$2.1800 per New Unit represents a discount of:

- (i) (for illustrative purposes only) approximately 2.9% to the Adjusted VWAP<sup>1</sup> of S\$2.2446 per unit in FCT (the “Unit”); and
- (ii) approximately 4.7% to the VWAP of S\$2.2871 per Unit of all trades in the Units done on the SGX-ST for the Market Day on 24 January 2024 (being the preceding Market Day up to the time the Placement Agreement was signed).

### 3. USE OF PROCEEDS

As stated in the Launch Announcement, subject to relevant laws and regulations, the Manager intends to use the gross proceeds of approximately S\$200.0 million from the Private Placement in the following manner:

- (i) approximately S\$196.1 million (which is equivalent to approximately 98.0% of the gross proceeds of the Private Placement) to repay existing debts, pending the use of such amount to partially fund the proposed acquisition of the remaining 49.0% interest in Nex Partners Trust and its trustee-manager (the “Acquisition”)<sup>2</sup>; and
- (ii) approximately S\$3.9 million (which is equivalent to approximately 2.0% of the gross proceeds of the Private Placement) to pay the estimated professional and other fees and expenses incurred or to be incurred by FCT in connection with the Private Placement.

The Acquisition will be subject to the approval of Unitholders to be sought at an extraordinary general meeting of Unitholders. In the event that the Private Placement is completed but FCT does not proceed with the proposed Acquisition, the proceeds from the Private Placement shall be re-deployed to fund future investments and/or to pare down debt.

Notwithstanding its current intention, the Manager may, subject to relevant laws and regulations, utilise the net proceeds from the Private Placement at its absolute discretion for other purposes, including without limitation, the repayment of existing indebtedness, working capital purposes and for funding capital expenditures and asset enhancement initiatives.

The Manager will make periodic announcements on the utilisation of the net proceeds of the Private Placement via SGXNET as and when such funds are materially disbursed and whether such use is in accordance with the stated use and in accordance with the percentage allocated. The Manager will also provide a status report on the use of the net proceeds from the Private

1 The “Adjusted VWAP” is computed based on the VWAP of all trades in the Units done on the SGX-ST for the Market Day on 24 January 2024 (being the preceding Market Day up to the time the Placement Agreement was signed) and subtracting the estimated Advanced Distribution (as defined herein) of approximately 4.25 Singapore cents per Unit (being the mid-point of the estimated Advanced Distribution Range (as defined herein)). The amount of Advanced Distribution is an estimate only based on information currently available to the Manager and the Manager’s estimate of FCT’s revenue and expenses for the relevant period on a *pro rata* basis and the actual Advanced Distribution may differ. “Market Day” refers to a day on which the SGX-ST is open for securities trading.

2 On 25 January 2024, the Manager announced the Acquisition (see announcement titled “The Proposed Acquisition of the Remaining 49.0% interest in each of Nex Partners Trust and its Trustee-Manager as an Interested Person Transaction” for further details).

Placement in FCT's annual report in accordance with the listing manual of the SGX-ST. Where proceeds are to be used for working capital purposes, the Manager will disclose a breakdown with specific details on the use of proceeds for working capital in FCT's announcements on the use of proceeds and in FCT's annual report and where there is any material deviation from the stated use of proceeds, the Manager will announce the reasons for such deviation.

Pending the deployment of the net proceeds from the Private Placement, the net proceeds may, subject to relevant laws and regulations, be deposited with banks and/or financial institutions, or be used to repay outstanding borrowings or for any other purpose on a short-term basis as the Manager may, in its absolute discretion, deem fit.

#### **4. STATUS OF THE NEW UNITS**

##### **(i) Entitlement to Advanced Distribution**

FCT's policy is to distribute its distributable income on a half-yearly basis to unitholders of FCT ("**Unitholders**").

In connection with the Private Placement, the Manager intends to declare, in respect of the existing Units in issue on the day immediately prior to the date on which the New Units are issued pursuant to the Private Placement (the "**Existing Units**"), an advanced distribution for the period from 1 October 2023 to the date immediately prior to the date on which the New Units are issued pursuant to the Private Placement (the "**Advanced Distribution**").

The quantum of the distribution per Existing Unit under the Advanced Distribution is currently estimated to be between 4.23 Singapore cents and 4.27 Singapore cents (the "**Advanced Distribution Range**"). A further announcement on the actual quantum of distribution per Unit (which may differ from the foregoing estimate) under the Advanced Distribution will be made by the Manager in due course.

The New Units to be issued pursuant to the Private Placement are expected to be issued on or around 5 February 2024. The Advanced Distribution is intended to ensure that the distribution accrued by FCT up to the day immediately preceding the date of issue of the New Units pursuant to the Private Placement (which at this point, will be entirely attributable to the Existing Units) is only distributed in respect of the Existing Units, and is being proposed as a means to ensure fairness to holders of the Existing Units.

The next distribution following the Advanced Distribution will comprise FCT's distributable income for the period from the day the New Units are issued pursuant to the Private Placement to 31 March 2024. Half-yearly distributions will resume thereafter.

##### **(ii) Status of New Units issued pursuant to the Private Placement**

The New Units issued pursuant to the Private Placement will, upon issue, rank *pari passu* in all respects with the Existing Units, other than in respect of the Advanced Distribution.

**For the avoidance of doubt, the holders of the New Units to be issued pursuant to the Private Placement will not be entitled to the Advanced Distribution.**

## **5. LISTING OF, DEALING IN AND QUOTATION OF THE NEW UNITS**

The trading of the New Units on the SGX-ST pursuant to the Private Placement is currently expected to commence at 9.00 a.m. on 5 February 2024.

The Manager will make a formal application to the SGX-ST for the listing of, dealing in, and quotation of, the New Units on the Main Board of the SGX-ST. An appropriate announcement will be made upon the receipt of such in-principle approval from the SGX-ST.
